

## D7.2 User desk available

Author: Kjetil Fjellheim

Date: 1.6..2013 (M10)

Approved: Helge Sagen

This is the deliverable for making a user desk available. The user desk is a common point for asking about datasets and data from the NMDC partners.

For this a single email address was setup with helpdesk capability in the background in IMRs IT infrastructure.

**User desk**

The email address used is:

[datahjelp@imr.no](mailto:datahjelp@imr.no)
